## The Winners of the First BIG IoT Call

The first BIG IoT Open call was opened on April 26th and closed on June 16th. The applicants were requested to enrich the BIG IoT offerings by integrating their IoT platforms and data by using BIG IoT technologies.

Last July 11<sup>th</sup> the evaluation procedure was completed and winners of the BIG IoT 1<sup>st</sup> Open Call have been selected.

Here are the 6 selected projects: welcome aboard!

DFRC  
Thingful  
52°North GmbH  
Flowhub  
Nissatech  
Simularia

Have a look at [this interview](#) with Flowhub – one of the Open Call Winners.

The Kick off meeting with the six winners took place in Munich on Sept, 12<sup>th</sup> -13th.
